-  Carson National Forest
-  Cibola National Forest
-  Kiowa National Grassland, district of Cibola National Forest
-  Santa Fe National Forest

The Forest Service proposes to restore riparian, aquatic, and wetland habitat on the Carson, Cibola, and Santa Fe National Forests, and the Kiowa Grasslands in New Mexico by implementing a variety of restoration activities. Riparian, aquatic, and wetland restoration activities would be accomplished through the use of project specific design criteria using consistent methodology to design, implement, monitor, and document watershed and aquatic restoration activities.
